

ACES 2018 Poster Directory

As of 10/18/2018

Poster Number	First Name	Last Name	Organization	City	State/Province	Country	Abstract Title
13	Dana	Bauer	Clark University	Worcester	MA	United States	Managing Small Natural Features That Provide Large-Scale Ecosystem Services in an Urbanizing Landscape
6	Richard	Belcher	National University of Singapore	Republic of Singapore		Singapore	Tropical Vegetation and Residential Property Value: A Hedonic Pricing Analysis in Singapore
20	Fabio Jose	Benez Secanho	University of Georgia	Athens	GA	United States	Sensitivity of the InVEST Nutrient Delivery Ratio Model Relative to the Input Spatial Data
21	Janet	Cushing	National Climate Adaptation Science Center	Reston	VA	United States	A Synthesis of Recent Links Between Climate Change Impacts and Assessing and Managing Ecosystem Services Supply and Demand
8	Theodore	DeWitt	U.S. EPA Western Ecology Division	Newport	OR	United States	The Ecosystem Services Gradient and The Biological Condition Gradient Link Changes in Benefits and Biology to Increasing Stress in Aquatic Systems
12	Maude	Dinan	North Carolina State University	Raleigh	NC	United States	Identifying the Intersection Between Restoration and Cultural Ecosystem Services
1	Fabiano	Franco	USGS	Reston	VA	United States	Select Economic Benefits of Increasing Soil Organic Matter on California Rangelands and Croplands
22	Garth	Groshans	Clemson University	Clemson	SC	United States	Assessing the Value of Soil Inorganic C for ES in The Cont US Based On Liming Replacement Costs

ACES 2018 Poster Directory

As of 10/18/2018

2	Taylor	Hollady	University of Maryland Center for Environmental Science (UMCES) - Chesapeake Biological Laboratory	Solomons	MD	United States	You've Got Kale! Farming Simulation Game
10	Remi	Jaligot	Swiss Federal Institute of Technology Lausanne	Lausanne		Switzerland	Web-Based Assessment of Cultural Ecosystem Services in Switzerland
11	Meghann	Jarchow	University of South Dakota	Vermillion	SD	United States	Mapping Social Values of Residents of the Upper Missouri River Basin for Current and Future Land Uses
23	Julianna	Kurpis	UTRGV	Edinburg	TX	United States	Historical Ecology Indicators as Ecosystem Service Measures and Assessments
18	Jewel	Lipps	Georgetown University	Washington	DC	United States	Chronic Nitrogen Addition Alters Plant-Herbivore Interactions Affecting Salt Marsh Dieback
14	Amy	Lynch	Ohio University	Athens	OH	United States	The Ecosystem Services Potential and Outcomes of Public Open Space in Residential Subdivisions: A Study of Montgomery County, PA
24	Kelsey	McDonough	Kansas State University	Manhattan	KS	United States	The Spatiotemporal Influence of Urban Development Patterns on Flood Mitigation Ecosystem Services
9	Megan	Mehaffey	USEPA	Durham	NC	United States	National Pet Health Survey: Healthy Pets, Healthy People

ACES 2018 Poster Directory

As of 10/18/2018

9	Melissa	Naugle	Georgetown University	Gaithersburg	MD	United States	Nutrient Disturbance Influences Food Web Resilience After Hurricane Event
16	Carolina	Navarrete	Universidad Nacional Autónoma de México	Ciudad de México		Mexico	Main Variables Influencing the Payments for Ecosystem Services and Its Results
7	Karuna	Paudel	University of Georgia	Athens	GA	United States	An Argument for Longleaf Pine-Comparing Economics of Yellow Pines Across Southern United States
3	Kiran	Paudyal	The University of Melbourne	Melbourne	VIC	Australia	Impact of Land Use and Land Cover Change in The Spatial Assessment of Ecosystem Services in Phewa Watershed, Nepal
4	Daniel	Pinillos	Wageningen University & Research	Wageningen		Netherlands	Reconciling Local Demands and Conservation Targets in Amazonia
15	Widyastri	Rahmy	University of Florida	Gainesville	FL	United States	Integrating Ecosystem Services into Landscape Planning for Urban Region in Indonesia
17	Wilson	Sousa Junior	Aeronautics Institute of Technology	Santo Andre		Brazil	Payments for Ecosystem Services: Water Resources Provided by Protected Areas in Brazil
25	Stephanie	Tomscha	Victoria University of Wellington	Wellington		New Zealand	Celebrating ES Gains from Wetland Restoration Using Participatory Mapping the High-Resolution ES Models
5	Julie Carl	Ureta	Clemson University	Clemson	SC	United States	Assessment of Stakeholders' Perception Towards Conservation: Laying Fundamentals of a Payments for Ecosystem Services in South Carolina
