

Instructions for Poster Presentations
3rd Natural Resource Extension Professionals (NREP) Conference
June 2-5, 2002, The Naples Beach Hotel and Golf Club, Naples, Florida

Display Size

Posters are limited to **4 feet high x 6 feet wide**. Poster boards will be freestanding. The boards are contiguous, and presenters may not use their own self-contained displays. Posters must be presented using the poster boards provided by the conference. Due to space constrictions, no tables will be provided. The boards are covered with fabric, and posters can be affixed using either Velcro or push pins. Tape is **not** allowed on the poster boards. We recommend you bring a box of Velcro tape with you, as it oftentimes requires a lot of Velcro to keep the poster flat. Allow a 4-inch x 4-inch space for a poster number in the upper left-hand corner of your poster.
