Abstract Formatting Instructions

- Abstracts should **ONLY** be saved as either a Microsoft Word (2003 or below) or a Rich Text Format file.
- Abstracts should be **no longer than ONE page in length**. No graphs or figures should be included.
- Set margins at 1”, top, bottom and sides and use Times Roman font at a size of 12 points.
- Type abstract title flush left on a line.
- Use appropriate formatting within titles: *italics* (for scientific names), _subscript_ (for scientific formulas and _superscript_ (mathematic equations), etc.
- List the senior author first and **Bold** the presenting author.
- Identify author affiliations using superscript numeral references (see sample below).
- Do not include professional titles of the authors. Include ONLY the affiliation name, city, state and country in abstract listing. *(Please do not include full mailing address at the top of the abstract.)*
- Type the body of the abstract single spaced without indents or tabs. **DOUBBLE SPACE BETWEEN PARAGRAPHS.**
- Apply bolding, italics, underlining, superscripts and subscripts in your main text as you want it to appear in your final abstract.
- Include full contact information for the presenting author at the very end of the abstract as follows:

  Contact Information: J. Mark Genesis, Soil & Water Science Department, University of Florida/IFAS, 600 Mowry Road, Gainesville, FL 32611 USA, Phone: 305-555-5555; Fax: 305-555-5000, Email: jgf@mynet.net

Sample Abstract

Reconstruction of Soil-Landscapes

Terry R. Brown¹, **J. Mark Genesis¹**, and S. Busch²

¹Soil & Water Science Department, University of Florida, Gainesville, FL, USA
²Department of Soil Science, The University of Reading, Whiteknights, Reading, England

This is the abstract main text. Do not tab or indent. Double space between paragraphs. Apply **bold**, *italics*, _underlines_, superscripts and subscripts as appropriate. Use Times Roman font (or other serif, proportional font) at a size of 12 points.

List senior author first. **Bold** presenter. Group authors by affiliation. Do not include professional titles. Type affiliation below author lines. Include only the affiliation name, city, state and country in abstract listing.
