UNIVERSITY of FLORIDA

Why Become a Sponsor?

Conference Overview

ACES: A Community on Ecosystem Services represents a dynamic and growing assembly of professionals, researchers, and policy-makers involved with ecosystem services. The ACES Conference brings together this community in partnership with Ecosystem Markets and the Ecosystem Services Partnership (ESP), providing an open forum to share experiences, methods, and tools for assessing and incorporating ecosystem services into public and private decisions.

The goal of the conference is to link state-of-the-art science, practice, and decision making by bringing together the ecosystem services community and decision makers from around the United States and the globe. ACES will engage leaders in government, NGOs, academia, Native American tribes, and the private sector to advance the use of ecosystem services science and practice in resource management and other societal decisions.

As a participating sponsor, your organization will have the opportunity to:

Cultivate and strengthen industry relationships

Interact with key decision-makers

Reinforce your continued commitment to ecosystem services

Showcase your organization to governmental, private, non-profit and contracting organizations

Increase brand awareness within the ecosystem services community

Enhance your prominence as a community leader

Sponsor Today!

Important Items to Note

- All sponsor representatives (including those receiving the complimentary registration benefit) are **required to register for the event**. Completion of the sponsorship commitment form does not count as a event registration.
- Sponsorships will be confirmed on a first-come, first-served basis and upon receipt of payment, but the sooner you confirm your support, the sooner your organization starts being recognized in our publicity emails and on the web site. *Sponsorship payments must be received by **November 1, 2024** to be recognized in print.*
- All terms of participation as a sponsor are outlined in the **Sponsorship Terms of Agreement**. Should Acts of God or natural or public health emergencies preclude this event from being held in-person, sessions will be held virtually via Zoom and your sponsorship will remain intact.

Thank You Sponsors

On behalf of the Planning Committee, we wish to thank all organizations that take the extra step to collaborate with us by becoming a sponsor. This event would not be possible without your support!
