Guana Tolomato Matanzas National Estuarine Research Reserve Hike

Monday, December 5, 2016 | 12:30pm – 5:30pm

Cost to Participate: \$50.00

Visitors can learn about the cultural history of the Guana Peninsula as well as the natural biodiversity during a guided hike. Find out about the peninsula’s 5,000 years of human history, including how native peoples used estuarine resources, what European plantation life was like, and current efforts to learn about and save these resources. Duration of hike is approximately 2 hours. Lunch is not provided, but snacks and bottled water will be.

For question about the tours, contact:
