

Blue Carbon: Improving Data Applied to IPCC Emission Factors and Carbon Markets

Part 2 of 3 Controls on stocks...

1:35 Vaughn – Florida, USA

1:50 Morrison – algal priming CO₂ loss

2:05 Gunn – US west coast

2:20 Mozder- Massachusetts, USA

2:35 Ye – Bohai Sea, China

Blue Carbon: What is it ?

The organic carbon stored in vegetated coastal ecosystems:
Tidal salt marshes
