

יודפת מהנדסים (1994) בע"מ

YODFAT ENGINEERS (1994) LTD

# Yodfat Engineers Ltd.

- Engineering design firm located in the Western Galilee region, Israel specializing in unique projects and technology applications
- Fields of work:
  - Drainage & flood control
  - Water supply & irrigation
  - Tunneling & Hydro power
  - Water / wastewater treatment
  - Contaminated land / sediment / water cleanup
  - Alternative (biogas, algae) energy
  - Membrane-based CCS & water capt
