

**GEER 2021 Moderator/Session Roster**

As of 2/8/2021 | 1:06 PM

(in session order)

Session #	Format	Session Title	Moderator	Co-moderator	Day	Date	Time
1	Standard Format	Producing a Restoration Success Show: Planning and Adaptive Management with Light, Cameras & Action	Dave Rudnick	Jed Redwine	Tuesday	20-Apr	1:30pm - 3:10pm
2	Standard Format	Climate Change and Freshwater Restoration: Forecasts from the Interior Everglades	John Kominoski	Lynn Wingard	Tuesday	20-Apr	1:30pm - 3:10pm
3	Standard Format	Tackling Tegus in Florida: An Interagency Collaborative Effort	Dan Quinn	Sarah Funck	Tuesday	20-Apr	1:30pm - 3:10pm
4	Standard Format	Water Quality Dynamics Through the South Florida Watershed	Evelyn Gaiser	Tasso Cocoves	Tuesday	20-Apr	1:30pm - 3:10pm
5	Standard Format	Tree Island Ecology and Restoration: Lessons from the Loxahatchee Impoundment Landscape Assessment (LILA) Mesocosms	Carlos Coronado-Molina	Michelle Afkhami	Tuesday	20-Apr	1:30pm - 3:10pm
6	Standard Format	Sea Level Rise and Climate Change Impacts on the Greater Everglades Coastal Environments	Lynn Wingard	John Kominoski	Wednesday	21-Apr	10:30am - 12:10pm
7	Standard Format	Northern Everglades Ecosystem HABs: Impact, Research and Management in the Era of Climatic and Anthropogenic Change	Anna Wachnicka	Barry Rosen	Wednesday	21-Apr	10:30am - 12:10pm
8	Standard Format	Combatting Burmese Pythons in Florida	Sarah Funck	Dan Quinn	Wednesday	21-Apr	10:30am - 12:10pm
9	Standard Format	Drivers, Patterns and Processes of Nutrients and Water Quality in Biscayne Bay	Sharon Ewe	Kristin Vaughn	Wednesday	21-Apr	10:30am - 12:10pm
10	Standard Format	Management, Restoration and Ecological Effects of Wetland Hydrology	Sparkle Malone	Lisa Jackson	Wednesday	21-Apr	10:30am - 12:10pm
11	Lightning	Ecological Modeling In The Everglades Under Climate Change	Ruscena Wiederholt	Rajendra Paudel	Wednesday	21-Apr	2:00pm - 3:00pm
12	Lightning	How to Manage Flow Connectivity and Constituent Loading for Everglades Health: DPM Lessons for CEPP	Jud Harvey	Colin Saunders	Wednesday	21-Apr	2:00pm - 3:00pm

**GEER 2021 Moderator/Session Roster**

As of 2/8/2021 | 1:06 PM

(in session order)

Session #	Format	Session Title	Moderator	Co-moderator	Day	Date	Time
13	Lightning	USGS Science for the 21st Century: Supporting Management and Restoration of America's Everglades	Wesley Daniel	Cindy Tam	Wednesday	21-Apr	2:00pm - 3:00pm
14	Invited Round Table	Next-Gen Methods for Invasive Species Management	Margaret Hunter	Adam Perez	Wednesday	21-Apr	3:30pm - 5:00pm
15	Invited Round Table	Tribal Perspectives: Lessons Learned and Best Practices for Effective Collaboration	Stephanie Romanach	Saira Haider	Wednesday	21-Apr	3:30pm - 5:00pm
16	Standard Format	Potential Impacts of Climate Change in the South Florida and Everglades Ecosystem	Rajendra Paudel	Thomas Van Lent	Thursday	22-Apr	1:30pm - 3:10pm
17	Standard Format	National Academies' 2020 Review of Everglades Restoration Progress	Stephanie Johnson	Charles Driscoll	Thursday	22-Apr	1:30pm - 3:10pm
18	Standard Format	Biscayne and Florida Bay Restoration Science	Ryan Rezek	Lynn Wingard	Thursday	22-Apr	1:30pm - 3:10pm
19	Standard Format	Ecological Processes in Lake Okeechobee	Todd Osborne	Paul Jones	Thursday	22-Apr	1:30pm - 3:10pm
20	Standard Format	Floral and Faunal Studies in Southern Everglades	Matt Pintar	Jordan Massie	Thursday	22-Apr	1:30pm - 3:10pm
21	Standard Format	Impacts of Climate Change on the Greater Everglades Biogeochemical Processes and Surface Water Quality	Yogesh Khare	Steve Davis	Tuesday	27-Apr	1:30pm - 3:10pm
22	Standard Format	Ecosystem Restorations and Mercury Biogeochemistry in Wetlands: Lessons from the Florida Everglades	Brett Poulin	David Krabbenhoft	Tuesday	27-Apr	1:30pm - 3:10pm
23	Standard Format	Management of Invasive Plant Species on Public Conservation Lands and Waterbodies	Linda King	Samantha Yuan	Tuesday	27-Apr	1:30pm - 3:10pm
24	Standard Format	Using Forecast Models to Develop CERP Interim Goals and Interim Targets	Andrea Atkinson	Agnes McLean	Tuesday	27-Apr	1:30pm - 3:10pm
25	Standard Format	Sustaining Optimal Performance of Everglades STAs at the Limits of Treatment Wetland Technology	Mike Jerauld	Jill King	Tuesday	27-Apr	1:30pm - 3:10pm

**GEER 2021 Moderator/Session Roster**

As of 2/8/2021 | 1:06 PM

(in session order)

Session #	Format	Session Title	Moderator	Co-moderator	Day	Date	Time
26	Standard Format	Resources Informing Improved Management of Native and Non-native Species	Jeffrey Kline	Danielle Drumheller	Wednesday	28-Apr	10:30am - 12:10pm
27	Standard Format	Carbon Cycling and Potential Soil Accumulation in the Greater Everglades	Barclay Shoemaker	Andre Daniels	Wednesday	28-Apr	10:30am - 12:10pm
28	Standard Format	Novel Tools and Technologies for Assessing Ecological Structure and Function in the Everglades	Morgan Ernest	Nicole Strickland	Wednesday	28-Apr	10:30am - 12:10pm
29	Standard Format	Science in the Everglades Southern Estuaries and Implications for Future Management and Restoration	Theresa Strazisar	Christopher Madden	Wednesday	28-Apr	10:30am - 12:10pm
30	Standard Format	Numeric Simulation for Everglades Restoration and Assessment	Matahel Ansar	Eric Swain	Wednesday	28-Apr	10:30am - 12:10pm
31	Lightning	Predicting and Detecting Change	Stephanie Romanach	Laura D'Acunto	Wednesday	28-Apr	2:00pm - 3:00pm
32	Lightning	Ecosystem Responses	Laura Brandt	Natasha Viadero	Wednesday	28-Apr	2:00pm - 3:00pm
33	Lightning	Impacts of Nutrients and Pollution	Nora Demers	Jazmin Locke-Rodriguez	Wednesday	28-Apr	2:00pm - 3:00pm
34	Invited Round Table	Diversity & Inclusion Roundtable	Saira Haider	Stephanie Romanach	Wednesday	28-Apr	3:30pm - 5:00pm
35	Invited Round Table	Career Forum for Upcoming Graduates	Evelyn Gaiser	Nick Aumen	Wednesday	28-Apr	3:30pm - 5:00pm
