

Financing Louisiana's Coast

Maximizing and Leveraging Funds
for Louisiana's Future

TUESDAY, AUGUST 28 | SIMONE MALOZ, RESTORE OR RETREAT

LOUISIANA'S COASTAL MASTER PLAN

RESTORATION

PROTECTION

NON-STRUCTURAL

**How can we afford to restore
and protect our coast?**

What We Know

- Louisiana is slated to receive over \$10 billion over the next 15 years
- There are restrictions on those funds according to state and federal law, as well as a Department of Justice plea agreement
- Most of the post DWH funds are grants and reimbursable.
