

NCER 2018

National Conference on Ecosystem Restoration

Building connections from the local to the landscape scale

Join us!

NCER brings together scientists, engineers, managers, and policy makers who are actively involved in and/or affected by all aspects of ecosystem restoration. Individuals interested in planning and management activities such as setting goals, objectives and performance measures by which to measure success should be sure to attend.

Visit our website for sponsorship packages and registration information. Questions? Contact **Beth Miller-Tipton** at bmt@ufl.edu or 352-294-3581.
