

## Poster Information

Poster presentations will play a key role in the success of the 67<sup>th</sup> Annual International Wildlife Disease Association Conference. Posters will be on display in the sponsor display and refreshment room throughout the conference.

## Poster Specifications

- Posters will be limited to **44 inches high x 36 inches wide** (1.12M high x 0.91M wide).
- Two poster presentations will be mounted to each side of the poster boards.
- Allow a 4-inch x 4-inch space (10.16cm x 10.16cm) for a poster number in the upper left-hand corner of your display space. Each poster will be assigned a number in advance so you will know where to place your poster.
- Poster boards will be freestanding.
- Posters must be presented using the poster boards provided by the conference. The poster boards are contiguous, and presenters may not use their own self-contained displays. Due to space restrictions, no tables or electricity will be provided.
- Poster boards are covered with fabric, and posters can be affixed using either Velcro or  $\frac{3}{4}$ " long push pins. Tape is not permitted. A limited supply of Velcro tape will be available for your use during mounting, but we recommend you bring a supply with you.
- Refreshment breaks will be served in the poster room each day. In addition, there will be student poster presentations on Tuesday, and general poster sessions on Wednesday and Thursday.
