

*Integrated Market-like Strategies to Meet the
Iowa Nutrient Reduction Strategy
- A Solution to Gulf Hypoxia?*

**Integration and Extrapolation: Where
Can this Go? – PANEL DISCUSSION**

M. Kieser, D. Miller, B. Smith, G. Kelly
ACES 2016 – December 7, 2016

Some prompting questions...

- Just how motivated are munis in this overall scheme?
- Does the overall strategy suggest an alternative to TMDLs?
- What specific signals are necessary to unleash private sector investments in the Iowa landscape?...are those scalable beyond Iowa?
- “One tool in the toolbox”...but is this approach a new toolbox?
