

ACES and Ecosystem Markets 2012 Poster Directory

Poster #	First Name	Last Name	Organization	Abstract Title
25	Damian	Adams	University of Florida	Estimating The Supply Of Forest Carbon Offsets: A Comparison Of Best-Worst And Discrete Choice Valuation Methods
1	Julius	Adewopo	University of Florida	Spatial Dynamics Of Rosary Pea (<i>Abrus Precatorius</i>) Invasive Species In Western Florida
13	Andrew	Almeter	US EPA Office of Research and Development	Protecting Our Life Support Systems: Us Federal Research And Policy On Ecosystem Services
17	Theresa	Becchetti	University Of California Coop. Ext.	Lost Opportunity Cost As A Form Of Payment For Ecosystem Services
2	Pieter	Booth	Exponent	The Role Of Structured Stakeholder Engagement In Developing Ecological Production Functions: Linking Stakeholder Value To Ecosystem Services At A Military Installation
14	John	Capece	Intelligentsia International Inc.	A County-Level Program To Assess Farming System Ecosystem Services
37	Said Chaouki	Chakour	Jijel University and IRD	Mpas Ecosystem Services And Their Effects On Local Development In Western Mediterranean Sea: The Case Of The National Park Of Taza
3	Lambini	Cosmas Kombat	Bayreuth Center for Ecology and Environmental Research	Survey Protocols In Forest Ecosystem Services Cost Assessment From The Supply Side-European Forest Owner Storylines
18	Robert	Crimian	College of Charleston	Changes In Human Well-Being & Ecosystem Services From Restoration
45	Johnathan	DiMuro	The Dow Chemical Company	Corporate Sustainability, Transparent Reporting And Ecosystem Services
4	Francisco	Escobedo	SFRC/IFAS/UF	Assessing And Mapping Potential Loss Of Ecosystem Services From Hurricanes
19	Claudia	Eugenio da Silva	INPA/UFAM	Bioprospecting Sapwood And Heartwood Of Species <i>Brosimum potabile</i> DUCKE, <i>Brosimum guianensis</i> (AUBL.) HUBER, <i>Brosimum rubescens</i> TAUB. Moraceae Family, In The Upper Alto Rio Solimões
20	Annet	Forkink	FSU	How Are Human Well-Being And Ecosystem Services Related?
26	Rita	Gomes	Quercus - NANC	Ecosystems Markets: Perspectives From A Portuguese NGO
44	Carol	Hasburgh	Yukon River Inter-Tribal Watershed Council	The Yukon River Indigenous Observation Network: Preliminary Results From Baseline Datasets Highlighting Climate Variation Indicators And Future Directions
46	Abby	Hook	Hook Knauer LLP	Beyond The Riparian Zone: Managing Beaver For Watershed Provisioning Services

ACES and Ecosystem Markets 2012 Poster Directory

Poster #	First Name	Last Name	Organization	Abstract Title
5	Jose-Luis	Izursa	Intelligentsia International Inc.	Life Cycle Assessment Of Greenhouse Gas Emissions From Sugarcane Production In Florida: A Case Study
6	Shonte	Jenkins	U.S. Geological Survey	The U.S. Geological Survey's Science And Decisions Center: Advancing Science- Based Decisions
27	Li	Jing	College of Tourism and Environment	The Value Of Fixing Carbon And Releasing Oxygen In The Guanzhong-Tianshui Economic Region Using GIS
38	Shelly	Johnson	University of Florida	Spatial Patterns Of Ecosystem Services Across Landscape Gradients: Application To Florida
39	Sharon	Kahara	Humboldt State University - USGS Coop Research Unit	Evaluating Water Quality Ecosystem Services Of Wetlands Under Climatic Change
21	Stephanie	Larson	UC Cooperative Extension	Develop And Document Opportunities For Ecosystem Services On Rangelands
7	Kevin	Le	University of Michigan	An Analysis Of Stakeholder Needs To Inform Development Of An Invest Model Of Lake Ecosystem Services For The Natural Capital Project
8	Sapana	Lohani	The University of Arizona	Assessing Ecosystem Services From Rangelands Based On Management Practices
29	Lawrence	Malizzi	Matrix New World Engineering	Gulf Saver® Bag: A Sustainable Approach To Spartina Alterniflora Marsh Restoration
30	Ather	Masoodi	Aligarh Muslim University	Ecosystem Services And Aquatic Weeds: Case Study Of A Himalayan Wetland
40	Chunping	Mei	University of Antwerp	Using Invest Model Mapping And Valuing Ecosystem Services In Poyang Lake, China
9	Lindsey	Nieratka	Florida International University	Hydrological Services Reduce Poverty And Strengthen Social Capital? An Examination Of Household Welfare And Collective Action In A Common Property Regime In Sierra Norte Of Oaxaca, Mexico
31	Felix	Nwaishi	Wilfrid Laurier University	Bioeconomic Potentials Of Biochar Application In Oil Sands Ecosystem Reclamation
32	Kayla	Ouellette	University of South Florida - Tampa	Ecosystem Services And Environmental Restoration In South Florida
15	Rudy	Schuster	United States Geological Survey	Integrating Social Science into Ocean and Coastal Management: Interagency Working Group on Ocean Social Science
22	Bessie	Schwarz	The Yale School for Forestry and Environmental Studies	Stakeholder Perceptions Of Ecosystems Services: A Pilot Study In BC Canada

ACES and Ecosystem Markets 2012 Poster Directory

Poster #	First Name	Last Name	Organization	Abstract Title
23	Heather	Simmons-Rigdon	South Central Washington RC&D Council	Cost Effective Nutrient Reductions In Wastewater Treatment Plants – Holistic Strategies For Providing Ecosystem Services
10	Jeffrey	Thomas	Puyallup Tribe of Indians	The Puyallup Tribal Homelands & Eco-Cultural Concepts: Past, Present and Future
11	Mohamad	Traboulsi	University of Florida - Student	An Ecosystem Services Assessment For Drylands Agroecosystems: Developing Tools For Decision Makers
16	Madhu	Verma	Indian Institute Of Forest Management	Measurement Of Forest Ecosystem Services As A Tool To Manage Financial Devolution From Centre To States
12	Lisa	Wan	University of Michigan	Lake Ecosystem Services: An InVEST Model For The Natural Capital Project
24	Seth	Wechsler	University of Maryland College Park	Maryland Farmers & Tree Farmers Attitudes Towards A Payment For Ecosystem Services Program
41	Whitney	Wilkinson	University of California Santa Barbara	Prioritization Of The Purchase Of Agricultural Easements To Promote Floodplain Conservation Strategies Along The Santa Clara River
43	Sija	Zhang	University of California - Berkeley	Integrating Bioenergy Options Into The Global Forest Products Market For Climate Benefits
