2011 National Agriculture in the Classroom Conference

June 22-25, 2011

Marriott Harbor Beach Resort & Spa

Fort Lauderdale, Florida

www.conference.ifas.ufl.edu/aitc

Join us in Fort Lauderdale, Florida for the **2011 National Agriculture in the Classroom Conference** which will feature engaging, interactive workshops that show educators how to incorporate real-life agricultural applications into their language arts, math, nutrition, science and social studies lessons. Tours of a tropical fruit packing house, tropical plant nurseries, a tropical fish farm, and other stops will show everyone unique agricultural operations in South Florida. Professional development points and college credit are available for attendees.
