

## OPTIONAL POST-CONFERENCE FIELD TRIP

Thursday, April 26, 2018 | 12:00 PM – 5:30 PM

COST TO PARTICIPATE: \$50.00 [Limited to 15 people]

### Loxahatchee Impoundment Landscape Assessment (LILA)

[10216 Lee Road; Boynton, Beach FL 33437]

**DESCRIPTION:** The Loxahatchee Impoundment Landscape Assessment (LILA) is located on the grounds of the Arthur R. Marshall Loxahatchee National Wildlife Refuge in Boynton Beach, Florida. LILA is a working, 80-acre model of the Everglades ecosystem. This "living laboratory" gives experts an opportunity to research and apply restoration techniques on a small, controlled scale before taking them into the 1.7 million-acre Everglades ecosystem.

**ATTENDANCE IS LIMITED:** Because of the interactive nature of this field trip, attendance is *limited to the first 15 registrants* and advance registration is required. Indicate your interest in participating when completing online registration. Field trips are open exclusively to conference registrants. However, family members may sign up on-site at the conference if space is available.

**WE PROVIDE:** Transportation, lunch, refreshments and canoe rental with life jacket.

**YOU BRING:** Sunscreen, insect repellent, water bottle, old tennis shoes or water shoes that can get wet. Light clothing that dries quickly is ideal. Weather will be hot – dress accordingly. You may also want to bring a camera and binoculars. *LILA tours entail about a 1.5 mile walk and include a tour of two tree islands and a walk around two macrocosms. Comfortable shoes are a must.*

**REGISTRATION DEADLINE:** March 16 or until the limit of 15 is reached. Refunds for cancellations will be issued until March 16, minus a \$25.00 processing fee. *Refunds will not be issued after March 16.* **NOTE:** If an insufficient number of registrants sign up, field trip is subject to cancellation. If cancelled, you will receive a 100% refund.
