A chef, seen from the side, is cooking in a kitchen. They are wearing a white shirt with a vibrant, colorful floral and bird pattern. They are holding a black spatula and stirring a pot on the stove. Several other pots are visible on the stove, some containing liquids. The chef has multiple colorful bangles on their left wrist. The background is slightly blurred, showing a typical kitchen environment.

Master Chef Competition

New faculty on board

- Dr. Montazeri, Virologist
- Dr. Andrade, MS-Dietetic Internship Director
