

Poster Display Instructions

Registration Deadline: March 28, 2025

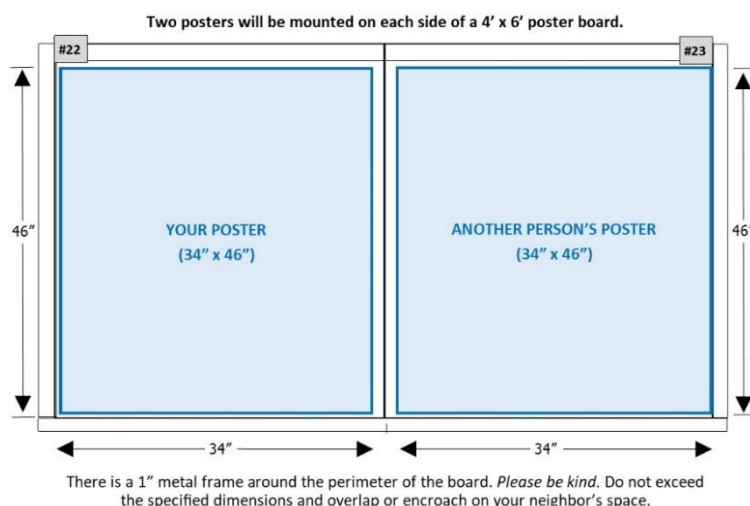

Student poster presentations play a key role in the exchange of information. Considerable time is dedicated to viewing them so researchers, allied industry representatives, and other summit attendees can interact and use these opportunities to share details of their work, successes, and lessons learned. Posters will be on display during dedicated poster viewing times, as well as during specified Networking functions. **You will have plenty of time for visibility, networking and interaction with attendees!**

Student poster Presenter Registration Deadline: Please register and pay the applicable fee by **February 20, 2026**, to confirm participation as a poster presenter and secure board space, and to have your abstract published in the abstract book.

Click here to register with the registration code provided when your poster presentation is accepted into the Summit: <https://conference.ifas.ufl.edu/flavorsummit/registration-information.php>

Poster Display Specifications

- Posters are limited to **34" wide by 46" high**.
If your poster doesn't fit — it will be removed.
- Due to limited space, two poster presentations are mounted to one side of a poster board.
- No tables or electricity will be provided.
- Posters are assigned numbers in advance and boards are labeled. **Do not include a number on your poster.**
- Poster boards are freestanding and contiguous.
- Velcro will be provided to affix your poster.
