LRCC Evaluation Data Overview

Regional FSOP data will be collected in late September-October from each region's designated evaluation partner.

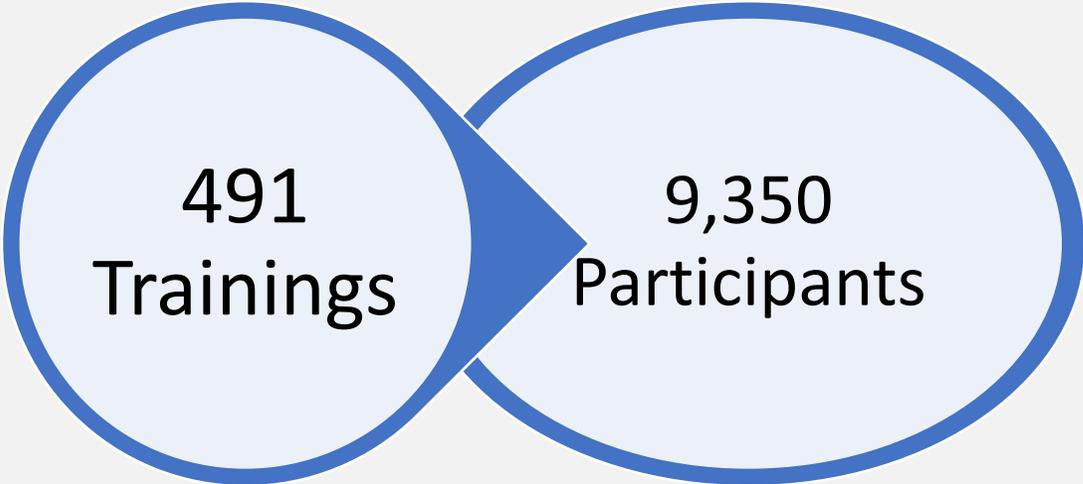

- So, don't send FSOP reports yet!
- Your region's FSOP evaluation partner will collect this information.
- However, if you have PSA or FSPCA data, send it to your regional evaluation partner at the appropriate time.

*Remember, the goal is to tell our story holistically to demonstrate knowledge gain and behavior change across the regions!
