STUDY RESOURCES AVAILABLE @

- <https://florida4h.ifas.ufl.edu/events/scienceanimal-science-events/horticulture/>
- https://quizlet.com/FL_4-H_PlantID
- https://gardeningsolutions.ifas.ufl.edu/mastergardener/outreach/plant_id/

Please pre-register your county team at the conference registration desk by lunchtime Tuesday.

PARTICIPANT INSTRUCTIONS:

- County teams can have 3 or 4 members. The low score from the team of 4 will be dropped. You can also participate as an individual.
- Do your own work - no talking during or after.
- 20 minutes per station with a 5 minute warning.
- If you finish early, stand against the wall in your group.
- No talking.
- If you need clarification of the sample or the sample moved, raise your hand.
- Gentle touching of ID samples is okay. Do not move samples from the plate.
- On the judging samples, do not move or touch. The judging section has new scoresheets.
- No tasting of samples.
- After the contest is over, we will do a sample review with tags out that you can take pictures of.
