

Poster presentations play a key role in the exchange of information at IFTBC 2019. Considerable time will be dedicated for viewing them, and posters will be on display throughout the conference in the Poster Display Room. This is the primary gathering spot where morning, mid-day and afternoon refreshments are served. This allows plenty of time for visibility, networking and interaction with other presenters, attendees and sponsors.

**Conference Registration is Required:** To confirm participation and have an abstract published, poster presenters must register and pay the applicable fee **by December 7, 2018.** [<http://conference.ifas.ufl.edu/iftbc2019/registration-information.html>]

## Poster Display Specifications

- Posters are on display throughout the conference.
- Posters will be limited to **44 inches high x 36 inches wide** (1.12M high x 0.91M wide). *Two posters are placed side-by-side on one board. \*Please do not exceed specified dimensions.\**
- Each poster is assigned a number in advance. We number the board. You do not need to place a number on your poster design.
- During the formal poster session, poster presenters are asked to stand at their board and be available for attendee questions.
