

Poster presentations play a key role in the exchange of information at NCER. Considerable time will be dedicated for viewing them, and posters will be on display throughout the conference in the Exhibit Hall. This is the primary gathering spot where morning, mid-day and afternoon coffee breaks are served, as well as the formal poster session and networking receptions. This allows plenty of time for visibility, networking and interaction with sponsors, presenters, and attendees.

Registration is Required: To confirm your poster and have your abstract published, you must register for the conference and pay the applicable fee **by December 5, 2025**. <https://conference.ifas.ufl.edu/ncer/registration-information.php>
