Organizing a BR&E Program

• Select a **Coordinator** - this is the key point person in charge. There may be co-coordinators as well.

• Assemble the **Task Force**
BR&E Coordinator

• A strong coordinator results in a quality process with positive results; a weak coordinator will not get the desired effect of the program. In fact it may actually damage community relationships.

• In the eyes of everyone involved, the coordinator is viewed as a full time position while others are viewed as volunteers.
