Poster Instructions

Registration Deadline: March 28, 2025

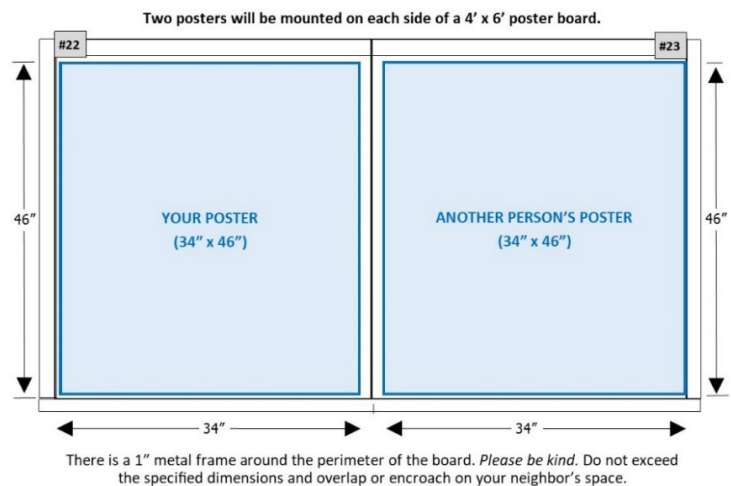

Poster presentations play a key role in the exchange of information. Considerable time is dedicated to viewing them so researchers, allied industry representatives, and students can interact and use these opportunities to share details of their work, successes, and lessons learned. Posters will be on display during dedicated poster viewing times, as well as during Networking functions, throughout the conference breakout rooms. **You will have plenty of time for visibility, networking and interaction with attendees!**

Poster Presenter Registration Deadline: Please register and pay the applicable fee by **March 28, 2025**, to confirm participation as a poster presenter and secure board space, and to have your abstract published in the abstract book.
